## FIRM INTRODUCTION

---

# Our Story

G. Holmes Bell, IV, PE  
CEO & Chairman

---

For more than six decades, we at Hussey Gay Bell have remained steadfast in our commitment to providing an enduring legacy of excellence in design and service in the fields of engineering, architecture and surveying.

Our dedication to the firm's core values of innovation, initiation of ideas and collaboration are exemplified through our intense focus on client relations and production of award-winning work. Yet, the true essence of Hussey Gay Bell's strength lies within the talented group of professionals who work tirelessly on our clients' behalf. We at Hussey Gay Bell understand our duty to perform at the highest levels of standards, both professionally and civically, to enhance the quality of life within all of the communities we serve as evidenced by our established history of involvement with civic and charitable organizations and service leadership on industry and community boards. This commitment to excellence extends to every client and to every community we serve. So, here's to the next 60 years.

Size: 25,000 SF  
Role: Architecture, civil + structural engineering

Liberty Center, Georgia Southern University,  
Hinesville, GA  
Size: 21,000 SF  
Construction Cost: \$5M  
Role: Architecture, civil + structural engineering

The background of the page is a complex, abstract geometric pattern. It consists of numerous thin, light gray lines that intersect to form a variety of polygons, including rectangles, triangles, and trapezoids. Some of these shapes are filled with a very light, pale blue color, creating a layered, architectural effect. The overall composition is clean and modern, with a focus on geometric forms and perspective.

**STUDENT HOUSING**

Victory Village, Savannah College of Art and Design, Savannah, GA  
Size: 250,000 SF  
Role: Civil engineering  
Construction Cost: \$54M
